RAMIN (claro)

## PREPARATION OF THE PARTS

The following is a list of parts to be found in the kit which you must cut to size yourself from the wood strips given. It is VERY IMPORTANT that you start cutting them to the sizes given in the following table and in strict order as detailed below. Once all cut, put them in order by groups and sections. All other remaining parts in the kit are precut and shaped for you.

| BEFORE CUTTING                   |                   |      |                   | AFTER CUTTING                 |                            |          |                            |
|----------------------------------|-------------------|------|-------------------|-------------------------------|----------------------------|----------|----------------------------|
| Part No.                         | Description (mm.) | Qty. | Original size mm. | Size to be cut to mm.         | Qty. to be produced        | Material | Section                    |

## PREPARATION DES PIECES

Cette liste contient les pièces que vous devrez couper avant de commencer le montage. Il est TRES IMPORTANT que vous les coupiez dans l'ordre donné, c'est-à-dire de haut en bas. Une fois coupées, ordonnez-les par groupes et sections. Toutes les autres pièces sont fournies préfabriquées.

| AVANT DE COUPER |                    |      |                            | APRES AVOIR COUPE |                     |          |         |

# APRES AVOIR COUPE

## VORBEREITUNG DER TEILE

Diese Liste beinhaltet die Teile, die Sie zuschneiden müssen, bevor Sie zu dem Zusammenbau übergehen. Es ist SEHR WICHTIG, dass Sie diese in den angegebenen Massen und in der angegebenen Reihenfolge, d. h. von oben nach unten, zuschneiden. Nach dem Zuschneiden müssen sie nach Gruppen und Abschnitten geordnet werden. Alle anderen Teile des Bausatzes sind Fertigteile.

## VOR DEM ZUSCHNEIDEN

## NACH DEM ZUSCHNEIDEN

| Teil Nr.                         | Bezeichnung mm.   | Menge | Mass des Originalt. | Auf mm. zuschneid.            | Zugesch. Menge             | Material    | Abschnitt                  |
